This includes things like updates on Haiti Relief, what is happening in Nigeria, and stories and news from congregations around the denomination. **Pastor Paula's Upcoming Schedule for Continuing Education and Spiritual Retreat**

On Tuesday, February 16, Pastor Paula attended a continuing education workshop in Indianapolis called "Singing with the Global Church." Leadership was by world-renowned musician and worship instructor, John Bell, of the Iona Community in Scotland. Some of John's hymns are in our *Hymnal: A Worship Book*.

On Wednesdays, March 3 and April 7, Pastor Paula will be at "A Quiet Place" at Camp Mack for her monthly Spiritual Retreat Day. She has been participating in "Women Creating Community: Seven Sacred Pauses." The purpose of this day is to spend time in worship and conversation with other women, as well to spend time in solitude, prayer, and meditation. It is a spiritually nourishing day, and one way that your pastor finds the spiritual food that she needs for on-going ministry.
