

Movin' on Mondays

The March “Movin’ on Mondays” has ended, but interest was high in continuing them. Hence, **we will continue to meet on Monday evenings in the Social Room area upstairs at 6:30 p.m.** Julie Potter gave us tidbits about nutrition and healthy eating habits. Then everyone joined in walking indoors to a video. It was a fun time for all who came to laugh, learn, and exercise. If you’ve not been part of this, all are welcome to join us. Bring your friends. Let’s get movin’ and goovin’.

Camp Mack News

NEEDED – MORE WHITE MOUNTAIN HAND CRANK ICE CREAM MAKERS for this summer’s “Pioneer Meal.” Making homemade ice cream is always fun for campers. Having enough ice cream freezers to go around would decrease the wait and increase the fun. Can you help?

VOLUNTEER WORK CAMP IS APRIL 24-26. Can you come? Many kinds of skills are needed. Cleaning, painting and repairs are needed to prepare camp for summer. If you can do roofing, you are needed to work on the Quinter-Miller roofing project.

VOLUNTEERS ARE ALSO NEEDED to serve as volunteer counselors and support staff during the summer! Please prayerfully consider how you might help.

CIT (COUNSELOR IN TRAINING) TRAINING is April 21-23 from 7:30 p.m. on Friday night to 1:00 p.m. on Sunday for those ages 16-18. CIT’s may come to Leadership Training in addition, if they choose.

TWO LEADERSHIP TRAINING DATES: Volunteer counselors, prospective counselors, and directors, choose the date that best suits your schedule and plan to attend one of two similar trainings. Leadership Training Date choices are May 5-6 and May 12-13.
