

meet your needs. You only have to trust Me. Although I have a much bigger task than you, it seems as if you have so much trouble just doing your simple part. How hard can trust be?

7. SHARE:

You were taught to share when you were only two years old. When did you forget? That rule still applies. Share with those who are less fortunate than you. Share your joy with those who need encouragement. Share your laughter with those who haven't heard any in such a long time. Share your tears with those who have forgotten how to cry. Share your faith with those who have none.

8. BE PATIENT:

I managed to fix it so in just one lifetime you could have so many diverse experiences. You grow from a child to an adult, have children, change jobs many times, learn many trades, travel to so many places, meet thousands of people, and experience so much. How can you be so impatient then when it takes Me a little longer than you expect to handle something on My to-do-list? Trust in My timing, for My timing is perfect. Just because I created the entire universe in only six days, everyone thinks I should always rush, rush, rush.

9.. BE KIND:

Be kind to others, for I love them just as much as I love you. They may not dress like you, or talk like you, or live the same way you do, but I still love you all. Please try to get along, for My sake. I created each of you different in some way. It would be too boring if you were all identical. Please, know I love each of your differences.

10. LOVE YOURSELF:

As much as I love you, how can you not love yourself? You were created by me for one reason only -- to be loved, and to love in return. I am a God of Love. Love Me. Love your neighbors. But also love yourself. It makes My heart ache when I see you so angry with yourself when things go wrong. You are very precious to me. Don't ever forget.....
