

District Ministers

Harriet and Ron Finney, District Ministers of the South Central Indiana District have served in that capacity for ten years. They are announcing their retirement, effective March 31, 2004. Their future plans are only partially clear to them. They want to *pursue some new areas of interests such as genealogy and the dulcimer*. Also, travel is in their plans and spending more time with family. They will continue to serve the church in ways that will fit their new lifestyle. We extend our best wishes and prayers as they enter a new phase of their lives.

Christmas Shopping Started? Special Giving Opportunities

Consider giving to **Heifer International**, a hunger program begun in 1944 by the Church of the Brethren to help families become self-sufficient. Now an independent, ecumenical organization, Heifer's mission is to work with communities around the world to end hunger and poverty and care for the earth, and they currently have several Special Giving Opportunities to help achieve that mission. There are opportunities to help families and communities become self-reliant and have the chance for a bright and happy future. Make it a **family project** to give rather than always being on the receiving end. Help put a dent in hunger and poverty this Christmas. Go to the following website to see how you can help others.
