Annual Conference Theme for 2005 Announced

"Fixing Our Eyes on Jesus," based on Hebrews 12:1-4, is the theme for Annual Conference in Peoria, Ill., July 2-6, 2005. The Program and Arrangements Committee and Worship Committee met in Elgin, Ill., Aug. 26-27 and Sept. 26-28 respectively, to choose preachers, worship leaders, Bible study leaders, and themes and scriptures. "The Church has always been in need of a call to remember Jesus," Moderator Jim Hardenbrook wrote about the theme. "The book of Hebrews calls a group of Christians to reconsider Jesus. In the midst of their persecution and questions the writer asks them to take another look at Jesus; to consider him. I'm convinced such an exercise would be good for us."
