Coming Soon – Study on Together Conversations

Watch for information regarding when the study will begin on “Together Conversations on Being the Church.” Marjorie Briar, Bill and Ruth Stout attended the training at Grandview Church of the Brethren. The purpose is for congregations to work through the Together study in S.S. classes or a retreat format this **Fall**. The outcome of the study will be compiled by March 2007 and be presented at Annual Conference in Cleveland, Ohio 2007. It is important for all persons in the congregation to be a part of the study and to share what “being the church” means to them.
